OFFICE OF PETITIONS

Dear Sir:

This paper responds to the Notice of Abandonment mailed December 10, 2003 in the
above-identified application. According to the Notice of Abandonment, the Applicants failed to
submit a proper reply to the Office Action dated June 6, 2003, wherein Applicants' proposed
amendment was late and did not include a request for an extension of time and the associated fee.
The Applicants agree that the petition for extension of time and associated fee were accidentally
and unintentionally not included with the response.

Therefore, the Applicants respectfully petition that above-identified application be
revived under 37 CFR 1.137(b). The Applicants respectfully submit that any delay in advancing

prosecution in the application from the due date of the reply until the filing of a grantable petition to revive the application was unintentional and accidental.

The Applicants respectfully request that the proposed amendment included herewith be entered. The Applicants have also included the required petition fee of \$665.00 as set forth in section 1.17(m).

Applicants request that this paper also be considered a Petition for any Extension of Time required and authorize payment of any additional fees associated with advancing prosecution in this application from account number 13-0017, if necessary.

Applicants respectfully request that the petition to revive the above named application be granted.

Respectfully submitted,

By: _____
